Mick Feather

Care Business Manager

Mick has over 30 years' experience working in the public sector including East Sussex Fire and Rescue Service, Child Support Agency and 4 years as a Care Quality Commission Inspector, two years of which he spent training 600 new CQC Inspectors.

Mick has sound knowledge of the care sector, learning and development, equality and diversity, cultural change and the ability to translate complex legal guidance and procedures into practical easy to follow solutions.

Keith Lawson

Business & HR expert

Our second key-note speaker, Keith Lawson has 10 years experience as a HR & Business expert. Keith has provided practical, pragmatic advice to over 97,000 businesses in his career to date.

Keith's experience of working with a multi-national workforce, and his wealth of practical experience, have heightened his awareness of the absolute necessity for a comprehensive HR and Health & Safety strategy.

“ Absolutely excellent - Thank you!
Pure quality = efficient and effective

Director
Private Home Care UK Ltd
